Description

Fine early 19th century large size Russian treen bowl with original painted decoration. The first thing to say about this piece is the colour, it is a superb original colour with gorgeous patination. The bowl is a nice shape and the painted decoration is subtle but very pleasing. Couple of very minor old worn chips otherwise in very good condition for its age. Lovely piece, pictures don't really do it justice. SIZE; 6 1/2" diameter. 5 1/2" high CIRCA; 1820 - 1840
