Description

Good Georgian mahogany bow-fronted, single drawer, side table. Nicely turned legs which form part of the design of the table at the top. Single drawer with cock beaded edge, oak lined with brass knobs. The table has double reed moulded decoration in various places. The table is a really nice shape. Condition is very good with no issues at all. I think the top has been sympathetically re-polished at some time in the past. SIZE; 36" wide by 20 1/2" deep by 32" high CIRCA; 1810 - 1820
