Description

An Attractive set of three low back Windsor Chairs in Ash and Elm, they are identical even the colour and patina is the same probably originally a set of six that has been split up between two families. They have the crinoline leg stretcher typical of Nottinghamshire chairs but i dont think they are from the Rockley workshop as they are a little taller than chairs from there. The condition is excellent for all the chairts with a pleasing colour and patina. circa 1840 DIMENSIONS WIDTH 54 CMS DEPTH 37 CMS HEIGHT 93 CMS SEAT HEIGHT 45 CMS
