Description

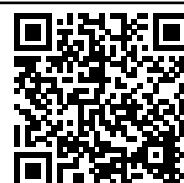

Everyone needs one!!! no dining table is complete without a silver stilton scoop!!! and this George IV example certainly fits the bill. It has a push-off mechanism, is hallmarked Birmingham 1824 and is possibly by John Thornton. The condition is good, there is a minor crack to the bone handle, this is not detrimental. A luxury item but a very useful one that would make a special present for a discerning friend or perhaps for you. 1824 Length: 7" 18 cm Width: 1.25" 3 cm
