Description

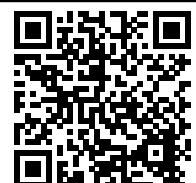

A set of three late Victorian heavy and good quality steel fire irons, in good condition. They measure approximately 60cm in length and weigh about 2kgs together. The shovel has a decorative flower cut into the steel - see photos showing both sides. There are a few marks on the pieces mainly on the shovel, to be expected with serviceable items of this age. Postage and packing is included within the UK mainland only and for remote areas or abroad please contact us for a delivery quote.
