Description

Small 1950s full hunter pocket watch, A Rosskopf & Co. The watch has 10-jewel stem-winding movement which is working nicely. The movement is protected by an inspection lens. The watch measures 39mm diameter excluding the winding stem and the loop. The case is nickel and it is in lovely condition with just light surface marks. The front of the case has the A Rosskopf & Co patent logo while the back of the case has details of medals won at the 1929 Barcelona and 1935 Liège exhibitions. The winding crown pushes in to open the front cover. Inside there is an acrylic lens which is in good condition. The signed off-white dial is in super condition. The watch comes in a new presentation box.
