Description

A fine George IV period rosewood small writing table of richly coloured timber; the top lined in black leather and surrounded by three-part bronzed gallery, above a shallow mahogany-lined drawer; on end-standards with triple ring-turned columns and umbrella legs, united by a turned stretcher. Circa 1820 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where - in normal times - we hold an Open Weekend every November.
