## Description

High quality antique Queen Anne style burr walnut leather top desk in very good original condition & dating from around the 1920's period. There is a wonderful pattern of burr walnut all over this desk, on the front, sides, back & even the insides of pedestals. It has a three partitioned tooled leather writing surface, with good carvings around the top, on the shaped inside corner brackets & on the tops of the feet. The back is finished & polished too. There are markings on the backs of the pedestals along where the veneers meet, which I think is to do with the polishing too. The drawers are all graduated in depth. They have fine dovetails, with original brass handles & locks. Width - 48 inches, 122 cm Depth - 23 inches, 59 cm Height - 32 inches, 81 cm Knee height - 25 inches, 64 cm Knee width - 19 inches, 50 cm
