Description

A beautiful Victorian sterling silver book chain, likely originating from England. A lovely piece of antique craftsmanship with links decorated with tiny cut-out patterns and contrasting textures. The piece is surprisingly lightweight and easy to wear thanks to the cut-out design and the cunningly designed hollow end caps on the crosslinks. Marked STERLING. In very good antique condition. Fixes with a working springring clasp. Length: Just over 17 inches. Width: 1.5cm. Weight: 33.2g.
