Description

This large antique wooden hat block stretcher which was originally used to manufacture hats dates from c1900, sits on its wooden base, has a metal handle which adjusts the size when turned and has a wonderful colour. Condition: Very good antique condition with signs of use in keeping with age. Some age related wear, some small chips and bruises. The handle screw mechanism works well. Please note that only the wooden hat stretcher is included and any other items in the pictures are for display only.
