Description

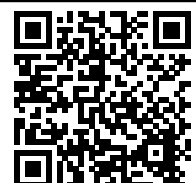

A good quality mahogany side table/dressing table dating from the early 19th century. This attractive table has two cock beaded drawers with turned wooden knobs and is raised on slim, fine ring turned legs. This table has a rich warm colour and patina and has not been repolished. The condition is good, it stands well and evenly. There are a few minor marks to the top, nothing that detracts from the appearance of the table, these are to be expected with an original finish on a piece of this age. This versatile table would be equally at home as a hall table, side table or dressing table. c. 1830 Width: 37.5" 95 cm Depth: 20" 51 cm Height: 28.5" 72.5 cm
