Sold

Item Reference: SA737110

Date of manufacture: 1910

Description

Antique 1917 Waltham pocket watch. The watch has a stem-winding movement, Traveler grade, which is working nicely. The movement is fully signed and the serial number 21179654 which dates it back to 1917. The movement is protected by an inner hinged cover. The watch measures 50.7mm diameter excluding the winding stem and the crown. The gold filled case was made by the Illinois Watch Case Company. The case has minor marking from use and a couple of light surface scratches and a small "ding" to the inner cover but overall it is in nice condition for a 1917 piece. The acrylic lens is in nice condition with only minor marking from use. The signed white enamel dial has a couple of very faint hairline cracks at 4 and 11 o'clock although only noticeable through a jewellers loupe but otherwise it is in nice condition. The watch has its original blued steel hands. The watch will be sent in a new presentation box.
