Description

Weight: 1.9 gr Metal: Oria Condition: Very Good Signature: BONET Comments: This beautiful medal features a roses branch. It is made in Oria. On one side it is stamped Bonet for the maker. The bale is marked Oria. Oria is gold plate with a lovely quality from Paris. The company Oria started making jewellery since 1900. Recognized in France as a 'marque de qualité' Murat and Oria makes high fashion and traditional jewellery pieces both in silver and high specification gold plate with a long life span and the appearance of old-fashioned rolled gold. That's explaining why the surface of the medal is a bit used. Art Nouveau's style was strongly inspired by this kind of design: flowers, nature, birds and makes any jewels of this period very poetic.
