Description

Fine large late C19th Japanese Meiji period porcelain charger decorated in the Imari palette . Exhibition quality Imari porcelain dished charger , skilfully decorated with a sea-shore or sea-bed scene featuring lobsters , crayfish , turtles and sea-snails to the foreground leading into a landscaped distant perspective with buildings and pavilions in the distance . Beautifully decorated and gilded in the traditional Imari palette colours of iron-red , coral and cobalt blues with gilded highlights. Of gently dished form , the reverse decorated with typical sparsely decorated blue motifs to the edges . Raised on a shallow foot-ring with blue line rings . The centre showing kiln spur-marks to the glaze where supported in the firing process . A highly decorative large-scale charger of rare design, in excellent original condition with no damage , repairs or rubbing to the decoration. H 25" W 25" D 4" Japan c.1870

Internal Ref: ML 2010
