Description

A stylish early 20th century brass desk lamp with a pink glass shade. The arm can be adjusted in height and angle and the angle of the shade can also be adjusted. It is a good quality piece with a heavy weighted base and a lovely aged patina. The lamp has been re-wired and PAT Tested and is in good working order. It takes a standard bayonet bulb (bulb not included with lamp). It is in good condition for its age. The brass has tarnished over time and there are some signs of age and use and some surface marks here and there but overall it displays very well. It has been lightly cleaned and is ready for use. The base of the lamp measures approximately 6 1/4" (16cm) wide. The lamp stands approximately 22" (56cm) tall and the arm is 13" (33cm) long. The best description comes from the photos so please look at them all carefully and if you have any questions please ask.
