Description

A good antique leather cartridge case dating from the early 20th century with carrying handle and two straps. Brass closing latch. Divided internally into 4 sections lined in green felt with leather straps. It is in good condition with a nice aged patina. No major damages. Some wear and losses to the felt lining (see photos) but generally clean and tidy inside. Very usable. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Tracked UK Delivery £15.
