Description

This is an antique tool cupboard. An English, oak wall hanging cabinet by the Army and Navy Co-operative, dating to the Edwardian period, circa 1910. Fascinating tool cabinet with elegant craftsmanship Displays a desirable aged patina Select oak shows fine grain interest and wisps of medullary rays Rich caramel hues to the wax polish finish Bold pediment surmount sitting above a pair of field panel doors Door dressed with an inset working lock — key present 14 Brass tool brackets offers a generous space for hanging hand tools Further storage to the interior of each door Two small drawers to the base with charming recessed brass pulls Small book within left-hand drawer - 'The Multum In Parvo Table Book' Maker's emblem to the interior reads 'Army & Navy Tool Cabinet' Original contents label on rear details the supplied tools in period This is a quality wall mounted antique tool cupboard, with great patination and period appeal. As useful today as it was a hundred years ago, this would be a great addition to a country house shed or garage. Would serve wonderfully as a feature key cabinet, or kitchen spice arrangement. Solid joints and construction, delivered waxed, polis...
