Sold**Item Reference: SA738505****Date of manufacture: 1910**

Description

Antique Swiss pocket watch. The watch has a good quality jewelled gilt stem-winding movement which is working nicely. The watch measures 51mm diameter excluding the winding stem and the loop. The case is nickel and it is in good condition, general light surface marks and a few short scratches to the edges. Screw-on bezel and case back, a nice sign of quality. The glass lens is in lovely condition. The dial is in lovely condition and has good clear bold numerals, blued steel hands and an outer minute track. The watch comes in a new presentation box.
