## Description

This antique mahogany & rosewood Sheraton style Edwardian armchair is of very high quality & has many fine inlays. It dates from around the 1890-1900 period & is in very good original condition, having just been polished & re-upholstered. This chair is predominately mahogany, with some rosewood sections & fine inlays of other exotic woods. There is a bit of wear on the wood, mainly on one of the arm supports which is clearly shown in one of the images. However, this chair is structurally sound, sturdy & has plenty of character. The seat & back have just been re-upholstered in a natural cotton fabric with double piped edges. The back is shield shaped & beautifully inlaid. It has inlaid swept out arms & sits on inlaid tapered spade end legs. Width – 20 inches, 51 cm Depth – 20 inches, 51 cm Height – 33 inches, 84 cm Seat height – 14 inches, 36 cm
