A classic solid rose gold bracelet with a substantial T bar and secured with a dog clip clasp. Very likely started out as a Victorian watch or guard chain. In good antique condition; see photos. Note some of the links are worn quite thin at the ends, not unusual for a piece more than 100 years old! Marked JG&S on the T bar and the clip; also stamped 375 (nine-carat gold) on the T bar, clip and most of the links. Length: 8 inches. Width: 8mm. Weight: 19.7g - nicely weighty, compare with other similar chains!
