Sold**Item Reference: SA73871****Date of manufacture: 1910**

Description

Dating to the early twentieth century, I have had a similar set of these in the past but have never seen them clad in highly sought-after green crocodile or alligator skin. The box unscrews to reveal the two candle holders which screw into the centre, creating a very usable pair of chambersticks made from nickel. Excellent condition with the box measuring 3 1/2" in diameter x 1 1/2" tall. Item ID: 32173 ----- FREE Worldwide Registered Airmail; Insurance Optional.
