Description

This is a very high quality antique deep buttoned leather Victorian style Chesterfield sofa & well above the average standard. There are no splits, tears or holes & the leather has just been professionally cleaned & polished. It's deep buttoned all over, hand tacked & sits on turned bun feet. Please enlarge all the images to appreciate the depth of buttoning & the condition of the leather. The leather is in excellent original condition with natural distressing, a great colour & loads of character. The deep buttoned seat, inside arms & back are all sprung with hand coil springs. It also has a good firm feel & is very comfortable. This Chesterfield is a generous three seater & I would date it to around the 1930's period. We have had & will get less expensive Chesterfields around the £2000 - £2500 mark. However this particular one is much better quality than usual. For instance - They don't usually have springs in the backs & arms. Width - 88 inches, 224 cm Depth - 38 inches, 96 cm Height - 28 inches, 72 cm Seat height - 16 inches, 41 cm
