Description

Rare early 19th century Chinese Export amboyna and ebony table cabinet in English Regency taste; fitted with four drawers with inlaid white lines and brass flush-fitting drop-handles, enclosed by a pair of ebony framed doors inset with brass grilles, on turned feet and with brass carrying handles. Circa 1830 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where – in normal times – we hold an Open Weekend every November.
