Description

Large pair of 19th-century follower of Joseph Farquharson. Oil on Canvas. A very good interpretation of a Joseph Farquharson winter landscape with the sun setting. A Shepherd and his flock walking a snow-covered lane. Save your self about 80k for the Farquharson signature. These charming paintings are a fair substitute. I could not find anything on this monogram. To the best of my knowledge though, Farquharson never used a monogram. Although this work screams of Joseph Farquharson. After having several of his paintings over the years. If you like Farquarson winter paintings you will most certainly like this painting. And at a fraction of the price. Signed with monogram FAR Size: 30inches x 20inches + frames
