Description

Antique Limit pocket watch and chain. The watch has a Swiss stem-winding movement which is working nicely. The movement is signed with the Limit name, Limit were importers of watches into the UK, and they were based in Oldham in Lancashire, UK. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and it is in good condition, just light surface marking but nothing too detrimental at all. The watch glass is in lovely condition with just a couple of small marks. The signed dial is in beautiful condition with original hands, a subsidiary seconds dial and an outer minute track. The watch comes with a later single chain, 25cm long. The watch and chain will be sent in a new presentation box.
