Description

A lovely small Florentine wall mirror dating from the mid to late 19th Century. It has a carved and gilded deep wooden frame with traditional scrolling acanthus leaves. It is in good condition for its age with the original glass which has slightly worn and spotted in places but nothing untoward. There are some minor damages and small losses around the edges of the mirror and some minor repairs but nothing detrimental and it displays very nicely. It has been lightly cleaned and is ready to hang. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Tracked UK delivery £30.
