Description

A pair of Victorian Royal Worcester hand vases. Designed by James Hadley for Royal Worcester, they are very finely crafted and it is believed that they were modelled on his wife hands. Impressed marks verso. There is a very small nibble to one of the rims but hardly noticeable so please see photo. Apart from this they are in very good condition and very decorative. We can deliver free in mainland UK and could calculate the cost for international delivery. Payment by bank transfer or PayPal
