Description

A highly decorative and useable US MAIL opening flap as used in numerous New York apartment blocks. In polished bronze and brass it is designed to be located in the foyer of these blocks.....one for each apartment. Above each would be the opening for the post (opening not available). This unit would be mounted just below with glass in the two openings to enable you to see if there was any post inside. If so, a dial combination lock can be used to open the flap (combination supplied)..... and gain access to your post! With a little ingenuity it can be adapted for use.... Additional photographs and information available on request. FaceTime facility available. Please be aware that the item is old and antique and study any photographs to satisfy yourself as to its condition as much as possible. While we take all efforts to provide something that is fit for the use intended there many be various condition issues that are commensurate with age and considered part of its history, and are very subjective. However, you have legal rights and Consumer Contract Regulations (2014) still apply for "Distance Selling" if this is not a "face-to-face" purchase. The advertised price ...
