Description

Chinese bronze champleve planter bowl circa late 19th Century. Could possibly be Japanese in the Chinese style from the same period. There is a character seal mark on the base. Would look amazing in the right location. Best colour and patina. Rare large size and design. Overall maximum dimensions: 33cm diameter x 20cm high. Weighs 3.5Kg. Some pitting to the enamel, which again is typical. Probably not watertight, so should be used with a liner. Please check dimensions before purchasing. Item reference WNA-7663P34. 30 day no quibble money back guarantee. Competitive UK and overseas door to door shipping.
