Description

A large antique pine dresser dating c.1910, in good solid condition throughout, with the original glass doors and original ornate key escutcheon with lock and key to the drawer. It stands on attractive bracket feet and there are similar attractive supports between the top and bottom section. Both sets of doors are hung on external (french style) hinges, allowing them to open fully, which is a very useful feature when accessing the cupboards. Inside the top glazed display cupboard are two adjustable shelves. The base consists of three drawers over a cupboard with a single shelf. This piece is currently in bare wood (Can be purchased as it is for £760, or £867 if restored and waxed). We usually wax inside the top if a piece of furniture has glazed doors - let us know if you'd like us to leave this bare wood for you. Top and base separate for delivery and access. Total height: 86", base height: 39.5", width: 53", base depth: 20"
