Description

Large Museum Collectors Cabinet c1850 A rare unique double museum collector cabinet made in c1850. This is a fantastic piece with graduated drawers. All the drawers run smoothly providing plenty of storage. A few knobs are damaged or replaced with near matches, a testament to its long useful life. It is made of pitched pine, a stripey attractive wood with great warm colour. A quality item unlikely to come up very often. 104cm wide at the top Depth at top 54cm (overhangs the body the back) Depth of body 47cm Height 125cm
