Description

For your consideration is this hugely stylish and rare Art Deco circular cabinet in the rare veneers of Chinese Burl Ash, a very expensive wood of its time and consequently rarely used or seen. Blonde in tone this piece easily integrates with other pieces. Although intended original as a nightstand it works equally well as stand alone cabinet, offering generous interior storage with an upper drawer, this would work perfect as a side table to a chair. Originating from France it offers the typical splayed legs. The protective glass insert is bevelled and sits snugly into a slender recess. We've had this piece fully and professionally restored and so comes to you in excellent showroom condition. UK delivery £35
