A stunning original vintage Art Deco period lamp stand with a built in table. This useful item was beautifully made from walnut and burr elm, it dates from the 1920-30's. It is in superb condition, we have had the frame stripped and re-polished to a very high standard. We have paired it with this lovely vintage silk shade, which is also in lovely condition, with just some very light wear. We have had this re-wired and it is in good working order.
