Description

Usually seen in an oak case, it is refreshing and unusual to see one in a mahogany case. The whole clock is in lovely condition with a nicely polished case and excellent movement. An 8" silvered dial with black Arabic numerals, nicely cut hands, and silvered pendulum. The 8 day movement strikes on the half-hour and the hour. It has just been fully serviced by our BHI registered staff and carries our usual 12mths full parts and labour guarantee. A very attractive little clock. All cards accepted.
