Beautiful decoy duck

Price

Sold

Item Reference: SA742223

Date of manufacture: 1920

Dimensions

Height = 15.5 cm (6.1")

Width = 15.5 cm (6.1")

Depth = 38 cm (15.0")

Description

A wonderful example of an early 20th century wooden decoy duck. It has an attractive pose with the head turned slightly to one side, its original glass eyes, and an untouched original paint finish. The colour is an attractive dappled grey with a cleverly painted spotted faded red chest. It retains its original metal pull to the front, presumably used for tethering with a string. This beautiful decoy duck is English, dating from around 1920.
