Description

This is a pair of antique side tables. An Asian, Chinese elm carved occasional table or wine stand, dating to the late Victorian period, circa 1900. Superb carved tables with Oriental appeal. Displaying a desirable aged patina, Chinese elm shows deep russet hues and fine grain interest. Hand-carved detail draws the eye. Unusually shaped table edge with gently carved lily pad motif. The top presents acanthus leaf detail. Supported on a scrolled column with foliate motif to centre, over a serpentine hollow below. Squat cabriole tri-form legs with scrolled toes and decorative carvings. This is an attractive pair of antique side tables, with eye-catching hand-carved detail. Well suited as wine, lamp or occasional tables and set to grace any room. Delivered waxed, polished and ready for the home.
