Description

Georgian Oak pot board dresser base This pot board dresser base was made circa 1820. This type of dresser is well suited for many places around your home. A kitchen or dining setting is an obvious position for them to be placed but drawing rooms, hallways and landings are also great situations for them to be used. The dresser/sideboard is fitted 3 drawers along the top above the shaped apron. It has the 3 turned front legs that join to the double panel pot board base. It has a boarded back to the rear of the pot board this is a genuinely nice extra feature. A pot board dressers format makes these especially light looking to suit the many places it can be used. Imagine how great this will look in your home, not only will it look good but also it gives great flexible storage space. 154cms wide 60 1/2ins 44.5cms deep 17 1/2ins 76cms high 30ins All Measurements are approximate, whilst we take care in measuring there may at times be a very slight difference. This Georgian Oak pot board dresser base is a very green product and has not damaged our environment Delivery We can arrange free delivery to UK mainland; we also have a reliable and good delivery service for single ...
