Description

A rare opportunity to purchase a bespoke Art Deco cabinet by Bath ArtCraft Ltd, associated with the Bath Cabinet Makers Company. It was commissioned by the daughter of a Colonel in 1929, and until now has remained in the same family. The cabinet was made to the daughter's stringent instructions and this is shown in the many letters between her father and Bath. This superb quality cabinet is made of figured ash and chrome, with a glass protective top and comes in excellent condition. A matching wardrobe and single bed are also available.
