Date of manufacture: 19th Century

Dimensions

Height = 39 cm (15.4")

Width = 39 cm (15.4")

Depth = 3 cm (1.2")

Description

This clean and bright tapestry from the 1800s is in a superb frame. Both are in very good condition and both have good colour, the tapestry is pretty much dust free having been protected behind the glass. An awful lot of work here for very little money. The fine frame alone could not be purchased today for this kind of money the corners of which have a really well detailed carving. A very nice item for a very sensible price.
