Description

A truly beautiful 1930's Art deco Walnut cabinet of great proportions. The veneers on this cabinet are exceptional and look very impressive. The Arched top tapers down to a curvaceous base. The interior has two internal glass shelves and the very base acts as a shelf too. Very generously spaced and ideal if your collection has tall pieces. We can also add wooden shelving as an option as we think this is an ideal candidate to use as a bookcase, please enquire. The cabinet is in excellent showroom condition having been professionally restored. Comes with working key. Delivery UK mainland £85, other destinations please enquire.
