Exceptional pair of Victorian Berlin woolwork needlework bell pulls

Price

Sold

Item Reference: SA744235

Date of manufacture: Victorian

Dimensions

Height = 206 cm (81.1")

Width = 15 cm (5.9")

Description

A fabulous pair of Victorian hand worked Berlin wool-work bell pulls, circa 1860, worked with trailing flowers with fabric edging, with rosette tops and large tassels suspended from bars at the bottom. The reverse covered in black silk. In good condition overall, some repairs, the bottom section of the black silk on the reverse is partially missing on one, although obviously this is not apparent from the front.
