Description

George III walnut chest on chest This George III walnut chest on chest was made circa 1760 in a country estate workshop for a large farmhouse on the estate. Made in 2 parts that splits at the waist. This allows for easy movement to and around the home. The top section with the 2 half width drawers across the top and a further 3 graduated drawers under, the base with 3 graduated drawers down to the base with the shaped bracket feet. Each drawer is fitted the original open fret swing handles, escutcheons, and a single stringing. It is of a lovely size, honey colour and with a fabulous patina. Imagine how wonderful this will look in your home. It is bound to get many admiring glances and probably much envy!!!! 97cms wide 38ins 187cms high 73 1/2ins 54cms deep 21 1/4ins All Measurements are approximate, whilst we take care in measuring there may at times be a very slight difference. This George III walnut chest on chest is a very green product and has not damaged our environment Delivery We can arrange free delivery to UK mainland; we also have a reliable and good delivery service for single or multiple items to Ireland.
