Description

A heavy gauge helmet form brass coal scuttle with swing top handle and side handle standing on a shaped dome base. This high quality coal scuttle bears the label of B & E Bushell of York who were renowned ironmongers in the early Victorian period. This antique coal scuttle, which is in very good condition and a good practical size, would be a distinctive addition to any fireside. c. 1840 Width: 17.25" 44 cm Depth: 12" 30 cm Height: 14" 35.5 cm
