Description

Something a little different is this wonderfully stylish glass decanter set which dates to the 1930s and originates from England. The body of the glass is frosted opaque which provides a strong backdrop to the black enameling. The decanter and stopper also have embossed foliage as decoration which is very subtle behind the enamel. The conical shape glasses ensure this set can't be mistaken for any other era, perfect for liqueurs and shots. The set comprises decanter and stopper with 6 matching glasses. Condition is very good, completely free from any damage. Trays shown are for demonstration and not included in the listing. FREE UK DELIVERY Dimensions Height: 9.45 in. (24 cm) Width: 3.94 in.
