Description

A well crafted and well designed Art Deco sideboard made of solid oak. This piece of compact furniture offers ample storage, with the two central drawers opening to reveal five shelves and three pull out drawers. The top drawer re-lined in green baize. To each side a further cupboard, each with good quality chrome and oak shelves and storage for bottles. To the top a raised original glass shelf and an attractive demi-lune mirror above. The chrome detailing to the handles and chrome banding running from the base through to the top of the mirror help to make this a striking piece of furniture from the Art Deco era.
