Date of manufacture: 1930

Dimensions

Height = 76 cm (29.9")

Width = 41 cm (16.1")

Depth = 39 cm (15.4")

Description

This rather special mahogany bedside cabinet is in a nice and tidy condition with a most pleasing bow front and the Chippendale influenced blind fret. The top has a well detailed edge and it is clean inside with a impressive original cabinet handle still in place. This cabinet does not have to be used as a bedside it could be used in a hall for keys or gloves or perhaps a lamp table with storage space. Sensible price for a quality cabinet in this tidy condition.
