Description

This is a fabulous example of a vintage mens watch made by the premium Swiss make Omega. This is the Seamaster model with the fully automatic calibre 750 movement. The original sparkle dial with day and date is in superb condition. The Omega symbol is on the crown and it is fully marked Omega on the dial, movement and case as you would expect. The Seamaster logo on the back of the case is bright and crisp. The watch case is oversize and measures 36.5mm in diameter not including the crown. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. It comes with both brown and black leather straps. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers parts. Each part is then thoroughly cleaned in a three stage ultrasonic cleaning process. The movement is then fully assembled using manufacturers approved oil...
