This decorative PAIR OF JAPANESE IMARI VASES & COVERS date from circa 1880. The COVERS are topped with stylised Dogs of Foe. The VASES are full of vibrant colour and display well. Condition: Good. One Cover has been broken and reglued some time ago. The repair is stable. The price we are asking is really the cost of the perfect VASE alone. The one with the repaired COVER is being given for free rather than separate the VASES which have been together for over 100 hundred years.
