Description

1918 Elgin full hunter pocket watch. The watch has a seven jewel stem-winding movement, grade 292, which is working well. The movement is fully signed and the serial number 20,056,719 which dates it back to 1918. The movement is protected by an inner hinged cover with a couple of light surface scratches to the underneath. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison Watch Case Company. The case is in nice condition. The winding crown pushes in to open the front cover. Inside there is an acrylic lens which is in nice condition. The signed dial is in good condition with only a couple of very faint hairline cracks below the sub seconds dial. Original blued steel hands. The watch comes in a new presentation box.
