Description

This chessboard is in Satinwood, the squares are in bone and ebony. It has very fine inlay which is in pewter Bow and ebony. As you can see from the pictures there has been some old repairs and the odd bit of inlay has come out over the years. So you could say it's in an unrestored Condition. The backgammon to the inside is in very good condition. Feel free to call me if you wish to have a condition report over the phone. The chessboard closed is 7 cm 1/2 high. 46 cm wide 23 cm deep open 46 cm x 46 cm. The squares are 4.5 cm. st 2161
